About Net Support UK

Net Support UK offers cloud solutions with smart advice and support. There's no doubt that we're experts.

We think, act and deliver differently to other IT companies by taking a 'blank paper' approach to every challenge and start by listening to what our Service Providers want to do with their business.

For over 17 years we've kept ourselves savvy with the top tech and avoided the traps of a 'brands only' approach. It's all about the whole team working together and there's nothing more rewarding than seeing great ideas put into practice - and our Service Providers' businesses grow as a result.

Terms and Conditions

This document governs the use of Microsoft software, which may include associated software, media, printed materials, and “online” or electronic documentation (individually and collectively, “Products”) provided by Net Support UK Ltd. Net Support UK Ltd does not own the Products and the use thereof is subject to certain rights and limitations of which Net Support UK Ltd must inform you. Your right to use the Products is subject to the terms of your agreement with Net Support UK Ltd, and to your understanding of, compliance with, and consent to the following terms and conditions, which Net Support UK Ltd does not have authority to vary, alter, or amend.

1 Definitions

“Client Software” means software that is installed on a Device that allows the Device to access or utilize the Products.

“Device” means each of a computer, workstation, terminal, handheld PC, pager, telephone, personal digital assistant, “smart phone,” server or any other hardware where software can be installed that would allow End User to interact with the Product.

“End User” means an individual or legal entity that obtains Software Services directly from Net Support UK Ltd, or indirectly through a Software Services Reseller.

“Redistribution Software” means the software described in Paragraph 4 (“Use of Redistribution Software”) below.

“Software Services” means services that Net Support UK Ltd provides to you that make available, display, run, access, or otherwise interact, directly or indirectly, with the Products. Net Support UK Ltd must provide these services from data centre(s) through the Internet, a telephone network or a private network, on a rental, subscription or services basis, whether or not Net Support UK Ltd receives a fee. Software Services exclude any services involving installation of a Product directly on any End User device to permit an End User to interact with the Product.

2 Ownership of Products

The Products are licensed to Net Support UK Ltd from an affiliate of the Microsoft Corporation (collectively “Microsoft”). Microsoft Products are protected by copyright and other intellectual property rights. Products and other Product elements including but not limited to any images, photographs, animations, video, audio, music, text and “applets” incorporated into the Products are owned by Microsoft or its suppliers. You may not remove, modify or obscure any copyright trademark or other proprietary rights notices that are contained in or on the Products. The Products are protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. Your possession, access, or use of the Products does not transfer any ownership of the Products or any intellectual property rights to you.

3 Use of Client Software

You may use the Client Software installed on your Devices only in accordance with your agreement with Net Support UK Ltd and the terms under this document, and only in connection with the Software Services, provided to you by Net Support UK Ltd. The terms of this document permanently

and irrevocably supersede the terms of any Microsoft End User License Agreement that may be presented in electronic form during the installation and/or use of the Client Software.

4 Use of Redistribution Software

In connection with the Software Services provided to you by Net Support UK Ltd, you may have access to certain “sample,” “redistributable” and/or software development software code and tools (individually and collectively “Redistribution Software”). You may use, copy and/or install the Redistribution Software only in accordance with the terms of your agreement with Net Support UK Ltd and this document and/or your agreement with Net Support UK Ltd.

5 Copies

You may not make any copies of the Products; provided, however, that you may (a) make one copy of Client Software on your Device as expressly authorized by Net Support UK Ltd; and (b) you may make copies of certain Redistribution Software in accordance with Paragraph 4 (Use of Redistribution Software). You must erase or destroy all such Client Software and/or Redistribution Software upon termination or cancellation of your agreement with Net Support UK Ltd, upon notice from Net Support UK Ltd or upon transfer of your Device to another person or entity, whichever occurs first. You may not copy any printed materials accompanying the Products.

6 Limitations on Reverse Engineering, Decompilation and Disassembly

You may not reverse engineer, decompile, or disassemble the Products, except and only to the extent that applicable law, notwithstanding this limitation, expressly permits such activity.

7 No Rental

You may not rent, lease, lend, pledge, or directly or indirectly transfer or distribute the Products to any third party, and may not permit any third party to have access to and/or use the functionality of the Products except for the sole purpose of accessing the functionality of the Products in the form of Software Services in accordance with the terms of this agreement and any agreement between you and Net Support UK Ltd.

8 Termination

Without prejudice to any other rights, Net Support UK Ltd may terminate your rights to use the Products if you fail to comply with these terms and conditions. In the event of termination or cancellation of your agreement with Net Support UK Ltd or Net Support UK Ltd’s agreement with Microsoft under which the Products are licensed, you must stop using and/or accessing the Products, and destroy all copies of the Products and all of their component parts within thirty (30) days of the termination of your agreement with Net Support UK Ltd.

9 No Warranties, Liabilities or Remedies by Microsoft

Microsoft disclaims, to the extent permitted by applicable law, all warranties and liability for damages by Microsoft or its suppliers for any damages and remedies whether direct, indirect or consequential, arising from the Software Services. Any warranties and liabilities are provided solely by Net Support UK Ltd and not by Microsoft, its affiliates or subsidiaries.

10 Product Support

Any support for the Software Services is provided to you by Net Support UK Ltd or a third party on Net Support UK Ltd's behalf and is not provided by Microsoft, its suppliers, affiliates or subsidiaries.

11 Not Fault Tolerant
